SAVING THE BRICK & MORTARS OUR NATION IS BUILT ON

**3** What three stores would you miss if they disappeared? Stop in. Say hello. Pick up something that brings a smile. Your purchases keep them in business.

**50** If half the employed population spent \$50 each month in locally owned stores, it would generate more than \$42.6 billion in revenue.\* Imagine what would happen if 3/4 the employed population did that.

**68** For every \$100 spent in locally owned stores, \$68 returns to the community through taxes, payroll, and other expenditures. If you spend that in a national chain, only \$43 stays here. Spend it online and *nothing comes home.*
